They close all the streets around the Mall. In addition there were surprise leading arterial closures day of 12/12.

If you travel through MD, the tolls ONLY allow CHANGE, (or regional EZ-Pass).

Was referring to you since I've noticed you requesting personal info around here before and even claiming to have free money to give away.

Also: shills tend to LARP as pedes and/or whatever they think we'll blindly follow. Joke's on them though as we tend avoid blindly following anyone based simply on empty claims in anonymous Internet forums.

Definitely not a shill or a larp. I spoke with him previously and was offering to help since he's sleeping in a car. Additionally when have I asked for personal info?

10 days until the 6th. But you're missing the point.

It's like going to a concert a week before the concert and asking, "Where is everybody?"

If you count up to the sixth, that's 10 days. Two work weeks.

But whatever. Being there a week early and asking what is other people's excuse for not being there, is kinda lame.

Their excuse is that it's still a week off.

Nothing wrong with showing up early and ENCOURAGING others to join the army. Fully lame to mischaracterize people with children or productive jobs or even lack of funds as larpers for not being there now. When I see people insulting others here I have to wonder if they're really on our side or deliberately doing psyop demoralization.

It's a song that includes the lyrics:

'Cause I'm gonna make you see There's nobody else here, no one like me I'm special (Special), so special (Special)  
I gotta have some of your attention, give it to me

How are you staying warm? It must be cold sleeping in your car. It hurts to know that a fellow pede may be freezing in the cold. What can we do to help?

[permalink](#) [save](#) [report](#) [block](#) [reply](#)

▲ 3 ▼

= [Amos](#) 3 points 3 days ago +3 / -0 ([edited](#))

Have car warm before going to bed. Good sleeping bag. If he can lay flat, insulation beneath him. If he's going to be doing this for potentially weeks, cover the windows, it helps.

Edit: I have zero idea what to do if there is frozen precipitation.

I'm currently in the Lacking of funds. Trying to get a GFM so I can make it. So if there's any excuse it's that I lack Funds. other than that I'm 1,000% ready to go.

I live in Wales in the UK...if flights were available i'd be there.

I have a feeling the 6th is going to be memorable to say the least....a once in a lifetime occassion.

I hope you find some comfort sleeping in your car bud, i bet you are more excited than you were as a kid at Christmas!
